Town of Huntington

The Bridge Store, a local fixture, is pictured on the cover. Built by H. Willard Munson in 1877, his store sold groceries, dry goods, boots and shoes. Upstairs was "Munson Hall", a meeting place for various town organizations.

Throughout its 130-year history, it has remained a store.

DEDICATION

Jim Watkins

Like many of us, Jim Watkins is not a native of Huntington. He was born and grew up in Baltimore. He was attracted first to Miriam Wood and then to Huntington. Jim and Miriam met in 1951 when he was stationed at Fort Devens and she was interning as a nurse at McLean Hospital. After their marriage, they stayed in the Boston area while Jim completed at course at Wentworth Institute to become a Certified Engineering Technician.

In 1960, they moved to Huntington, Miriam's hometown, where they bought a small house on Allen Coit Road. Jim gradually improved and enlarged the home to accommodate their family of four sons. He still remembers the summer when he replaced the roof. With a forecast of good weather, he had torn off the old roof, planning to install the new one the next day. Then came a sudden tropical storm, much to the alarm of the Watkins household. As the first raindrops began to fall, neighbors quickly gathered to help secure tarps, saving the house from drowning. They were undoubtedly returning the many neighborly acts that Jim had done and would continue to do over the years.

Jim has served his adopted town in ways almost too many to count. He was a Cub Master and Boy Scout Assistant for seven years. He has been a member of the Planning Board, the Conservation Commission, the Zoning Board and the Town Hall Renovation Committee. He worked as Hazardous Waste Coordinator and chaired the Landfill Capping Committee. He served as Assessor for thirteen years and Selectman for six. He did all that while working on engineering projects all over western Massachusetts and also collecting antique bottles to sell in a shop near his house.

The Town of Huntington is proud to dedicate this Town Report to Jim Watkins, with gratitude and affection.

Independent Auditors' Report

To the Honorable Board of Selectmen Huntington, Massachusetts

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Huntington, Massachusetts, as of and for the fiscal year ended June 30, 2006, which comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town of Huntington, Massachusetts' management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Huntington, Massachusetts, as of June 30, 2006, and the respective changes in financial position, thereof and the respective budgetary comparison for the General Fund for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated November 16, 2006, on our consideration of the Town of Huntington, Massachusetts' internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the Town of Huntington, Massachusetts, basic financial statements. The supplementary supporting statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements of the Town of Huntington, Massachusetts. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Management's discussion and analysis, located on the following pages, are not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

THOMAS J. SCANLON, Certified Public Accountant

South Deerfield, Massachusetts November 16, 2006

SELECTBOARD REPORT

Preparing a Selectboard report can be frustrating and confusing. The fiscal, or budgetary, year started July 1, 2005 and goes to June 31, 2006. In this writing, the Annual Report for 2006 will start January 1, 2006 and run through December 31, 2006.

Change of Terms of Office and Date of Annual Town Meeting: The Selectboard prepared a two-part warrant article to improve operations. The first part was to give newly elected officials time to learn their responsibilities by starting their term at the beginning of the new budgetary year, which is July 1, rather than immediately after Annual Elections, which occur in mid-May. This was approved by the Attorney General's Office. The second part was to hold the Annual Town Meeting on the first Monday in June to allow additional time to receive more accurate school and state budget information. This second part was not approved due to a conflicting provision of Massachusetts General Laws which only allows town meetings in February, March, April and May. A legislative bill has been submitted by Representative Kulik to add June to this Mass. General Law. We are awaiting approval of this bill to resubmit this article to the town.

Removal of Unsafe Building: The Guyette property at 8 Stanton Avenue, destroyed by fire and uninsured, was deemed a safety hazard. The town was forced to demolish and remove the debris, with legal and construction costs of \$28,000. The property has been leveled and the monies will be returned to the town upon sale of the property.

Cell Tower: American Tower withdrew their permit for the cell tower on the Woodis property off Pine Street, stating that the site access had become cost prohibitive and was no longer economically feasible.

Equipment Shed: The construction of a 40' by 60" metal Morton Building equipment shed was approved and constructed at the Highway Department complex. This essential building will protect Highway, Fire, Water/Sewer and Police equipment from outside elements.

Highway Truck: A decision was made to replace the 1987 GMC Coleman sander; constant repairs and the need for future repairs made this necessary. Unfortunately, the replacement will not be available until June of 2007, which made additional repairs necessary to get us through this winter season. We can't seem to win with this vehicle.

The Basket Street-Bromley Road Water Loop: The third CDBG grant application to loop Basket Street and Bromley Road water systems together was again denied. This \$700,000 project remains a future necessity and we need this monetary assistance. Another grant request has been submitted for FY2007.

Vocational Education: It is a legislative mandate that individual towns pay for vocational tuition and transportation, and it is an obligation that continues to increase. Town vocational expenses have risen from \$176,200 in FY 2005 to \$379,702 in FY 2007, and additional increases are anticipated for the coming budget year. The state is supposed to refund these Chapter 70 costs in the following year. To date we have only received 50% of our costs.

SELECTBOARD (continued):

Murrayfield Elementary School was demolished, removing what was destined to be a bottomless money pit and in so doing has opened usable space for future town needs. The area will be seeded in the spring and the Library parking lot repaved.

Water Meters: In anticipation of future mandates for water meters, the Water Department has moved this requirement forward. Over 98% of the meters are installed and it is anticipated that metered water use will be applied to future billing starting in July FY2007.

Erosion Control at Norwich Lake: A grant was applied for and received from the U.S. Department of Agriculture for the installation of a 20' by 30' sediment pond and rip-rap at the public entrance to Norwich Lake for the purpose of cutting down on erosion of the unpaved right-of-way emptying into the lake. The Highway Department will assist and it is planned for the Spring of 2007.

Town Hall Maintenance: The 25-year old Town Hall roof was replaced, and the front steps reconstructed for the Town Hall and Stanton Hall, in an ongoing effort to maintain our town buildings.

Stanton Hall Maintenance: The Stanton Hall Steeple is deteriorating very rapidly; several pieces of the cornice have rotted and fallen off, and numerous shingles are missing. RFP's were generated and Greg Burgess from GB Contracting was selected to perform the refurbishment. However, a closer look in preparation for reconstruction revealed that the deterioration was much more intrusive, and will require considerably more effort. We are now working with the Historical Commission to obtain a grant which provides 50% in matching funds. This is a project in progress.

The Audit: The Selectboard schedules an audit every two years. An audit for the fiscal year ending June 30, 2006 was done by Thomas J. Scanlon & Associates. The results of their tests disclosed no instances of non-compliance to Government Audit Standards, and no matters involving the internal control over financial reporting and its operation, that are considered to be material weaknesses. The audit is available at the Town Hall.

Local Parking Downtown: Considerable effort was expended to repair and standardize the town street lights and remove the junk cars and debris from the town parking facility located behind the Huntington Liquor Store. Hopefully the local businesses will work with us to make this a clean, friendly place to visit.

Comcast Cable TV License Renewal: Considerable effort was expended by the Comcast Cable Advisory Committee and the Selectboard in preparation for renewing Huntington's service contract. There are currently over 30 miles of cable and service provided to over 600 homes. A ten-year renewal contract was negotiated to provide an additional three miles of cable and extend high-speed internet capability wherever technologically feasible.

SELECTBOARD (continued):

Dog Hearings: The Selectboard has spent considerable time on dog hearings this year. We would like to remind all dog owners that it is necessary to have your dogs' shots up-to-date, get your pets licensed, and keep them restrained so they are not a nuisance to others. The Town Clerk is available Monday mornings and Wednesday evenings to license your dogs.

Mr. Jim Watkins decided to turn in his Selectboard hat after six busy years. His extensive town experience and local knowledge will be missed. He was replaced by Mrs. Aimee E. Burnham-Renauld, a downtown homeowner who grew up in Huntington and brings a different set of experiences to our Selectboard.

Selectboard Hours and Meetings: The Selectboard office is open Monday through Thursday, 9 a.m. to 2 p.m., and Friday 9 a.m. to noon. Administrative Assistant Mrs. Helen Speckels is available to give assistance and answer any questions. The Selectboard meets Wednesday evenings at 7 p.m. Requests to be placed on the agenda can be made through Helen.

As you can see the Selectboard's responsibilities are broad and varied. We wish to thank all the town board members, town employees and volunteers who take time from their busy schedules to make living in our community a happy and enjoyable way of life.

Respectfully submitted,

Al LaFrance, Chair Bob Heath Aimee Burnham-Renauld

FINANCE COMMITTEE

COMMITTEE MEMBERS AND MEETINGS

The Town Moderator recommends committee member for appointment on an annual basis. The committee members for 2007 fiscal year are:

Pete Jacques – Chair Eric Jenson - Liason

Sue Fopiano – Vice Chair Roger Booth Nancy Arnold – Liaison David Borden

The Finance Committee meets on the third Tuesday of each month except during the months of January through May when the committee meets more frequently with other Town Departments, boards, committees, and the Selectboard to establish the annual town budget.

COMMITTEE RESPONSIBILITIES AND REPORT

The Finance Committee serves as an advisory board to the town. Responsibilities include meeting with the various departments, boards, and committees to develop the annual town budget and monitor expenditures over the course of the fiscal year. The Committee works closely with the Selectboard to make recommendations on budget and financial matters and track line items to ensure departments work within their allocated budgets. The Finance Committee is also responsible for administering the Stanton Fund.

In its role as an advisory board, the Finance Committee works hard to maintain an objective perspective when formulating recommendations. Our goal is to create a fiscally responsible budget that minimizes the burden on all town residents and, at the same time, keeps Huntington a growing and vibrant community. As you review the accomplishments of the other departments, boards, and committees described in this report, you will find many examples of how the town continues to improve its service to its residents.

While the committee does its best to anticipate factors that will impact the town's budget, we must also recognize that many variables are difficult to predict. We may sometimes feel a bit insulated as a Western Massachusetts "hilltown", but we are not immune to the effects of the global community, as evidenced through our fuel costs and our nation's war on terror. We also face an amazing shift in global demographics as the baby boomers begin to retire, a trend that will strain both personal and public retirement funds. These factors impact how we balance items such as employee benefits, service contracts, and educational expenses.

As we begin the next fiscal year, the Finance Committee would like to thank all of you who do participate in town government: those who become involved, ask questions, contact their legislators, and realize that we are all working together.

Respectfully submitted,

Pete Jacques, Chair

TOWN MODERATOR

The town is currently in good financial shape but there are some areas of concern in the near future. We have been fortunate enough to have monies in stabilization to lower our tax rate the past few years but the reality is that we have been spending more money than we have been raising with taxes and fees for the past few years. We are very close to our levy limit this year and will likely be there again next year. When we reach that point we have three choices: cover some of what we need with out reserves (if available), cut back on our spending or request an override to cover the services we want and expect. Please listen carefully to what the Finance Committee and your Selectboard say about our finances when we talk budget at Annual Town Meeting this year.

I would like to thank the members of the Finance Committee for their work throughout the year. They monitor the budget throughout the year and track the spending patterns of each department. They start working on the proposed budget you see at Annual Town Meeting in early February and talk to all departments that have significant expenditures. If you have an interest in finances and are willing to serve on the Finance Committee in the future please contact me. This year thanks also goes to the seven members of the Retirement Insurance Committee. I look forward to hearing their report at ATM. I think it is important that we make big decisions like the one on retirement insurance based on as much reliable and current information as we can gather. This group has been charged with collecting that information and creating a recommendation.

Once again this year I attended the Massachusetts Moderators' Association Annual Conference to stay up on changes in laws relating to Town Meeting and to learn how other communities encourage greater attendance at meetings and streamline their meetings. This past year I also contributed an article to the Association's newsletter.

The Moderators' Association just produced a half-hour DVD on how open town meetings work. This DVD is a good introduction to the process we use to do our work at Town Meeting. I will be giving copies to the Library and Gateway Regional High School in the hope that we can improve attendance at our meetings and introduce high school students to our local legislative process.

I do consider it part of my job to help citizens as well as public officials write warrant articles for Annual and Special Town Meetings. If you have any questions on wording and what should or should not be in the wording of an article or an amendment you plan on making on the floor of the meeting, please give me a call.

Respectfully submitted,

Tom Gralinski

BOARD OF ASSESSORS

A revaluation for fiscal 2007 was completed and approved by the Department of Revenue. The total value of all property in the town increased by approximately 15-½%. New growth was \$4,731,063 resulting in new tax dollars of \$59,800. This was comprised of thirteen new houses, as well as new garages, barns, etc.

The Fiscal Year 2007 Tax Recapitulations Breakdown:

Estimated Receipts and Available Funds:

Cherry Sheet Estimated Receipts	\$	588,903.00
Local Estimated Receipts	\$	562,372.00
Free Cash	\$	360,397.00
Other Available Funds	\$	478,618.00
Total Estimated Receipts and Available Funds	\$1	,990,290.00

Local Expenditures:

Appropriations (Town Meetings)	\$3	,642,269.00
Cherry Sheet Offsets	\$	3,894.00
State and Cherry Sheet Charges	\$	8,447.00
Assessors' Overlay (abatements/exemptions)	\$	17,633.00
Gross Amount to be Raised:	\$4	,311,288.40
Less Total Estimated Receipts & Available Funds	\$1	,990,290.00
Net Amount to be raised through Taxation	\$2	,320,998.40

The fiscal 2007 tax rate was set at \$11.90.

The Assessors meet Monday evenings at 7:30 p.m. The office is open Tuesdays and Thursdays from 9:00 a.m. to 12:00 p.m. The office number is 667-3501.

Respectfully submitted,

Suzanne Kellam Robert Heath Neil Wheeler

CAPITAL PLANNING COMMITTEE

The Capital Planning Committee reviewed the inventory of town assets worth over \$10,000 and major expenditures for calendar year 2006.

A 2007 Freightliner Highway dump truck was purchased for \$113,000 to replace the 1987 GMC Sander as planned. \$25,000 was authorized from Free Cash and the remaining \$88,000 will be borrowed. The truck is to be delivered in June of 2007.

A steel Morton Building equipment storage shed was purchased and installed for \$60,000 using Free Cash.

Murrayfield Elementary School was demolished as planned, using \$200,000 from the Stabilization Fund.

The Town Hall roof was replaced and front steps reconstructed for \$10,000 using the Stabilization Fund.

The Stanton Hall steeple is in dire need of restoration. \$25,000 was authorized from the Stabilization Fund towards the final costs estimated to be approximately \$190,000. A 50% Massachusetts Preservation Grant application through the Massachusetts Historical Commission has been submitted. The remaining funds will be provided from the Stanton Fund.

The 1989 Dodge fire rescue truck should be considered for replacement. It is the most used vehicle in the fleet and needs to be updated to meet current standards.

As a reminder, the Town of Huntington has an ongoing debt obligation for the Gateway Regional School District. Our share is based on student population and is approximately \$250,000 per year for the next 15 years.

The Capital Planning Committee continues to recommend using free cash, where feasible and available, to purchase smaller assets.

We believe the information in the attached report will be of interest to the voters of Huntington and assist the Finance Committee and Selectboard, as an aid in long term fiscal planning.

Respectfully submitted,

Ellen Davis, Chair Rolland Bernier, Richard Buley, Eric Jensen, Al LaFrance

WATER AND SEWER COMMISSIONERS

WATER DEPARTMENT:

In Fiscal Year 2006 the Water Department replaced six (6) hydrants and valves. We suffered five (5) water main breaks and at least 300 of the new water meters have been installed. We have begun the process for our Inflow and Infiltration (I & I) report to the Department of Environmental Protection (D.E.P.) This is state-mandated and the cost for just the study and engineering report is in excess of \$60,000 but, as it is state-mandated, we must comply. Water chlorination will begin on April 1, 2007 to October 15, 2007 as a preventative measure to avoid bacteria in our water system.

Due to a good Insurance Service Office (ISO) report we are receiving a better insurance rating for our community.

SEWER DEPARTMENT:

The Sewer Department installed a new control panel at the pumping station on Old Chester Road. We installed a new chlorinator and dechlorinator control system at our waste water treatment plant as mandated by the D.E.P.

We performed major maintenance on our generator at the Waste Water Treatment Plant.

Please welcome Paul Hurley as our new Water and Sewer Commissioner.

Meetings are held every other Wednesday evening at 7:00 p.m. in our office in the basement of the Town Hall. The public is always welcome to observe, make inquiries, etc.

Respectfully submitted,

Rolland Bernier, Chair Edward Schott Paul Hurley

TOWN CLERK

Three elections were held this year: Local Election, State Primary, State Election. We have tried several different procedures during these to determine the best way of producing a smooth-running and effective result. I would like to thank the voters for their patience and understanding. I am happy to report that we have achieved our goal and have a definite plan in place. My thanks also to Harry Bishop, Clerk first shift, as well as scheduling personnel for every election; Sue Boistelle, Clerk second shift; Bing Cinelli, Warden and set-up; Paul Hurley for setting-up the day before elections; Cricket Heath, Constable; and all the election workers for their dedication and dependability. We needed many more counters for the State Election in November and the following people graciously offered to help: Geraldine Johnson, Donna Parks, Clark & Kathy Jones, Michelle Graton, Joan Astaferrero, Winifred Smith, Jack & Tania Eisenstadt, Scott Tillinghast, Tracey Masloski, Jan Nettler, Marjorie Gagnon, Sue McIntosh, Becky Cortis, and Lori Slowick.

Raffle/Bazaar permits need to be applied for well in advance of the event. It is state law that non-profit organizations must have a permit approved and signed by the Town Clerk and the Chief of Police.

It is also mandated by the state that anyone conducting a business under any name other than their full name must have a Business Certificate. This does not apply to an incorporated business, unless they are conducting business under another title or name. The certificate is renewable every four (4) years. Twenty-four (24) Business Certificates were issued this year.

Flammable Storage Permits issued:	3
Kennel Licenses issued:	3
Dog Licenses issued:	416 total
Including:	
Spayed Females	172
Females	33
Neutered Males	146
Males	65

This office continues to sell hunting/fishing licenses and stamps. This year 38 hunting, 24 fishing, and 29 stamps were sold. Licenses can also be bought on-line at: MassWildlife.org.

Sherry Jones was appointed Assistant Town Clerk late in the year. Her position will enable us to tackle preservation of records, coverage and assist in usual responsibilities.

Election results as well as Special and Annual Town Meeting minutes will follow in this report.

My office is open Monday 9 a.m. - noon; Wednesday 6 - 8 p.m. I can be reached at 667-3186 and my email address is: huntingtonclerk@comcast.net.

Respectfully submitted,

Pamela G. Donovan-Hall

750 voters cast their ballots out of 1290 registered voters in the Town of Huntington.

Pamela G. Donovan-Hall Town Clerk

COMMONWEALTH OF MASSACHUSETTS Town of Huntington

Special Town Meeting

Wednesday; February 8, 2006

As directed, the Voters of the Town of Huntington, qualified to vote in Town affairs, met at Stanton Hall in said Huntington, on Wednesday, the eighth of February at 7:00 P.M. then and there took the following action:

Moderator: Tom Gralinski

Town Clerk: Pamela G. Donovan-Hall

Constable: Earl Heath, Jr.
Counters: Tim Doherty

Sue McIntosh

The moderator announced that the warrant had been legally posted. He announced that there was a quorum.

A motion was made and seconded to pass over Article. Motion carried.

ARTICLE 1: To see if the Town will vote to amend the Huntington General By-Law, Section 1 as follows:

The Annual Election of Town Officers shall be held on the Third Saturday in May of each year with officials being elected taking office as of July 1st, and the Annual Town Meeting for the transaction of other business shall be held on the First Monday in June, commencing at 7:30 p.m.; or take any other action relative thereto.

A motion was made and seconded to pass over Article 2. Motion defeated.

ARTICLE 2: To see if the Town will vote to appropriate from free cash the sum of

\$60,000.00 to construct an equipment storage building at the Highway

Department complex; or take any other action relative thereto.

Motion carried.

ARTICLE 3:

To see if the Town will vote to appropriate from free cash the sum of \$16,000.00 to demolish and remove a condemned residence located at #8 Stanton Avenue (a municipal lien will be placed on the property for this expense); or take any other action relative thereto.

Motion carried.

A motion was made and seconded:

ARTICLE 4:

To see if the Town will vote to appropriate from free cash the sum of \$6,000.00 for implementation of GIS (Geographic Information System) mapping; or take any other action relative thereto.

Motion carried.

A motion was made and seconded:

ARTICLE 5:

To see if the Town will vote to appropriate from free cash the sum of \$19,000.00 to replace aging and outdated fire hose and related equipment; or take any other action relative thereto.

Motion carried.

A motion was made and seconded to dissolve. Motion carried. Unanimous.

Meeting dissolved at 7:24. There was a quorum of 34 present.

A true copy attest.

Pamela G. Donovan-Hall Town Clerk

COMMONWEALTH OF MASSACHUSETTS Town of Huntington

Annual Town Meeting

Monday; May 1, 2006

As directed, the Voters of the Town of Huntington qualified to vote in town affairs, met at Stanton Hall in said Huntington on Monday, the 1st of May, 2006 at 7:30 p.m. and then and there took the following action:

Moderator: Thomas Gralinski

Town Clerk: Pamela G. Donovan-Hall

Constable: Earl Heath, Jr.

Counters: David Junkins Sue McIntosh Mike Brisebois

Bill Hall

The Moderator announced that the warrant had been legally posted. He announced that there was a quorum and he introduced the Finance Committee, the Town Clerk, and the Selectboard.

The Moderator announced that he was including Articles 2-7 on the consent calendar and asked those interested in discussing a particular article on the consent calendar to place a 'hold' on said article when he finished the brief overview. The articles not held as a block will be voted on. The body voted to adjourn the meeting at 10:00 p.m., unless it was possible to complete a warrant or the article under discussion shortly after 10:00 p.m. The body also agreed that, if needed, a second night to meet would be tomorrow at 7:30 p.m.

The Moderator also announced that, with Article 14, he would read the total amounts for various departments that are in bold. If any 'hold' is made, he would read line by line under that category.

A motion was made and seconded:

ARTICLE 2:

To empower the Selectboard to choose such Town Officers as are not required by law or vote of the Town to be chosen by ballot; or take any other action relative thereto.

Motion carried. Unanimous.

ARTICLE 3:

To accept the reports of the Town Clerk, Town Treasurer, Selectboard, Library Trustees, Trustees of the Whiting Street Fund, Finance Committee, Trustees of the Alphonse P. Pettis Fund, Assessor of Taxes, Town Accountant, and any other Town Officers or Committees to report and act thereon; or take any other action relative thereto.

Motion carried. Unanimous.

A motion was made and seconded:

ARTICLE 4:

To see if the Town will vote to authorize the Selectmen to prosecute and defend matters in which the Town has an interest, or to appear in favor or opposed to matters involving the Town's interest and employ counsel; or take any other action relative thereto.

Motion carried. Unanimous.

A motion was made and seconded:

ARTICLE 5:

To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to sell and convey by public auction in accordance with Section 77B of Chapter 60 of the General Laws, all parcels of real estate which the Town has acquired or may acquire, either by foreclosure of Tax Title in Land Court or by the procedure under Section 80 of Chapter 60 of the General Laws pertaining to lands of low value; or take any other action relative thereto.

Motion carried. Unanimous.

A motion was made and seconded:

ARTICLE 6:

To see if the Town will vote to authorize the Selectmen to apply for Massachusetts Small Cities Program or other federal or state monies and to expend any monies received as set forth in the appropriate grant application following public hearing; or take any other action relative thereto.

Motion carried. Unanimous.

A motion was made and seconded:

ARTICLE 7:

To see if the Town will vote to authorize the Board of Selectmen to enter into contracts with the Massachusetts Highway Department for construction and/or maintenance of public highways for the Fiscal Year 2007, and further authorize the Board of Selectmen, on behalf of the

Town, to accept any money from the Commonwealth of Massachusetts for highway construction and/or maintenance; or take any other action relative thereto.

Motion carried. Unanimous.

A motion was made and seconded:

ARTICLE 8:

To see if the Town will vote to transfer from Free Cash to the Treasurer Software Support account (#015138-005) the sum of \$16,000.00 to purchase new software for the Treasurer and Tax Collector; or take any other action relative thereto.

Motion carried. Unanimous.

A motion was made and seconded:

ARTICLE 9:

To see if the Town will vote to continue membership in the Hampshire Council of Governments for the Fiscal Year 2007 through Fiscal Year 2010 with a 75% reduction in annual dues from \$8,176.00 to \$2,044.00; or take any other action relative thereto.

Motion carried. Unanimous.

A motion was made and seconded:

ARTICLE 10:

To see if the Town will vote to transfer the sum of \$100,000.00 from Free Cash to reduce the tax rate; or take any other action relative thereto.

Motion carried. Unanimous.

A motion was made and seconded:

ARTICLE 11:

To see if the Town will vote to replace The Highway Department's 1987 Coleman Sander by purchasing a new dump truck with a wing, not to exceed \$140,000.00 by transferring \$25,000.00 from Free Cash and borrowing up to \$115,000.00; or take any other action relative thereto.

Motion carried by 2/3 vote.

ARTICLE 12:

To see if the Town will vote to transfer from Free Cash to the Police & Fire Group Accident Insurance Account (#015914-006) the sum of \$2,597.00; or take any other action relative thereto.

Motion carried.

A motion was made and seconded:

ARTICLE 13:

To see if the Town will vote to transfer from Free Cash to the Highway Building & Equipment Account (#015422-004) the sum of \$14,000.00 for unanticipated repairs; or take any other action relative thereto.

Motion carried.

A motion was made and seconded:

ARTICLE 14:

To see if the Town will vote to raise and appropriate, borrow or transfer from available funds such sums of money as may be necessary to defray expenses estimated for the ensuing fiscal year commencing July 1, 2006. Voters will designate line items to be voted separately; or take any other action relative thereto.

Motion carried.

A motion was made and seconded:

ARTICLE 15:

To see if the Town will vote to raise and appropriate or transfer from unappropriated funds in the Treasury, the sum of \$1,063,928.00 for Huntington's minimum contribution, as determined by the Commonwealth of Massachusetts, for the Gateway Regional School District for the period of

July 1, 2006 through June 30, 2007 or accept a lesser amount than \$1,063,928.00 as certified by the Commonwealth of Massachusetts; or take any other action relative thereto.

Motion carried. Unanimous.

ARTICLE 16:

To see if the Town will vote to raise and appropriate or transfer from unappropriated funds in the Treasury, the sum of \$358,673.00 for Huntington's share of the transportation and debt services expenses for the Gateway Regional School District for the period of July 1, 2006 through June 30, 2007; or take any other action relative thereto.

Motion carried. Unanimous.

A motion was made and seconded:

ARTICLE 17:

To see if the Town will vote to raise and appropriate or transfer from unappropriated funds in the Treasury, the sum of \$402,136.00 and transfer from FY2006 over minimum account (015300-200) the sum of \$75,373.00 for a total of \$477,509.00 for Huntington's share of the overminimum contribution to the budget for Gateway Regional School District for the period of July 1, 2006 through June 30, 2007 or accept a lesser amount than \$477,509.00 as certified by the Gateway Regional School District; or take any other action relative thereto.

A motion was made and seconded to amend the wording of Article 17 to read:

To see if the Town will vote to raise and appropriate or transfer from unappropriated funds in the Treasury, the sum of \$299,891.00 and transfer from FY2006 Over Minimum Account (015300-002) the sum of \$75,373.00 and transfer the sum of \$102,245.00 from account 24-3-302-000 School Debt Reserve for a total of \$477,509.00 for Huntington's share of the over-minimum contribution to the budget for Gateway Regional School District for the period of July 1,2006 through June 30, 2007 or accept a lesser amount than \$477,509.00 as certified by the Gateway Regional School District; or take any other action relative thereto.

Motion carried, as amended.

A motion was made and seconded:

ARTICLE 18:

To see if the Town will vote to raise and appropriate or transfer from unappropriated funds in the Treasury, the sum of \$324,702.00 for Huntington's costs for Vocational Tuition for the period of July 1, 2006 through June 30, 2007; or take any other action relative thereto.

Motion carried.

ARTICLE 19:

To see if the Town will vote to raise and appropriate or transfer from unappropriated funds in the Treasury, the sum of \$55,000.00 for Huntington's costs for Vocational Transportation for the period of July 1, 2006 through

June 30, 2007; or take any other action relative thereto.

Motion carried.

A motion was made and seconded:

ARTICLE 20:

To see if the Town will vote to amend the Huntington General By-Law, Section 1, as follows:

"The Annual Election of Town Officers shall be held on the Third Saturday in May of each year with officials being elected taking office as of July 1, and the Annual Town Meeting for the transaction of other business shall be held on the First Monday in June, commencing at 7:30 p.m."; or take any other action relative thereto.

A friendly amendment was made and seconded to read:

"The Annual Election of Town Officers shall be held on the Third Saturday in May of each year with officials being elected taking office as of July 1, and the Annual Town Meeting for the transaction of other business shall be held on the First Monday in June, commencing at 7:00 p.m.,"; or take any other action relative thereto.

Motion carried, as amended. Unanimous.

ARTICLE 21:

To see if the Town will vote to amend Section IF: DEFINITIONS of the Zoning Bylaw, by replacing the current definition for street frontage with the following:

"Street frontage: The continuous length (in feet) of a property line which abuts a road or street that has either been accepted as a town way or approved as a subdivision road (whether public or private). All corner lots must have sufficient frontage on one road to satisfy zoning requirements. Frontage for a single use on two or more lots shall be the sum of the individual lot frontages."; or take any other action relative thereto.

Note: Italicized language is either new or modified from the current language.

A friendly amended was made and seconded to read:

"Street frontage: The continuous length (in feet) of a **lot** line which abuts a road or street that has either been accepted as a town way or approved as a subdivision road (whether public or private). All corner lots must have sufficient frontage on one road to satisfy zoning requirements. Frontage for a single use on two or more lots shall be the sum of the individual lot frontages."; or take any other action relative thereto.

Motion carried, as amended. Unanimous.

A motion was made and seconded:

ARTICLE 22:

To see if the Town will vote to amend Section IF: DEFINITIONS of the Zoning Bylaw, by inserting: "140, section" in the definition for Manufactured Home (a.k.a. Mobile Home), as follows, "- with the definition as per M.G.L. Chapter 140, Section 32Q..."; or take any other action relative thereto.

Note: Italicized language is either new or modified from the current language.

Motion carried. Unanimous.

ARTICLE 23:

To see if the Town will vote to amend Section IV D: NON RESIDENTIAL USES ON LOTS NOT ALSO USED FOR RESIDENCE of the Zoning Bylaw by substituting the following paragraph for the current first paragraph:

"For the four following categories, if there are three (3) or less full-time (or equivalent part-time) employees, special permit is required in residential districts and the use is permitted without special permit in all other districts. A special permit is required in all districts if there are four (4) or more full-time (or equivalent part-time) employees. See Section IV H for off-street parking requirements and Section IV I for permitted signs."; or take any other action relative thereto.

Note: Italicized language is either new or modified from the current language.

Motion carried. Unanimous.

A motion was made and seconded:

ARTICLE 24:

To see if the Town will vote to transfer from free cash \$1,800.00 to undertake a feasibility study, under the direction of the Board of Trustees of the Huntington Public Library, to examine the options for expanding and renovating its current library building, or building a new facility and to report to the Town the results of such study; or take any other action relative thereto.

Motion carried.

A motion was made and seconded to pass over Article 25. A committee of 7 people will be organized to study and research this proposal. Motion carried. Unanimous.

ARTICLE 25:

To see if the Town will vote to accept the provisions of M.G.L. c.32B, §9A to pay one-half of the amount of the premium to be paid by a retired employee for group life insurance and for group general or blanket hospital, surgical medical, dental and other health insurance; or take any other action relative thereto.

A motion was made and seconded:

ARTICLE 26:

To see if the Town will give the Huntington Food Pantry at Pioneer Valley Assembly of God \$5,000.00 from free cash toward operating expenses at the pantry.

Motion defeated. In favor, 33. Opposed, 37

The Moderator asked the voters to respond to a few requests to recite the "Pledge of Allegiance" before the start of the Annual Town Meeting, by putting either a Yes or a No in a box as they left. This would give him some direction.

Motion made and seconded to dissolve. Motion carried. Unanimous. Meeting dissolved 9:26 p.m. There was a quorum of 77 present.

A true copy attest.

Pamela G. Donovan-Hall Town Clerk

COMMONWEALTH OF MASSACHUSETTS Town of Huntington

Special Town Meeting

Wednesday; July 12, 2006

As directed, the Voters of the Town of Huntington, qualified to vote in Town affairs, met at Stanton Hall in said Huntington, on Wednesday, the 12th of July, 2006 at 7:00 p.m., and there took the following action:

Motion carried. Unanimous.

ARTICLE 8:

To see if the Town will vote to establish an Agricultural Commission to represent the Huntington farming and agricultural community, as well as other farming and forestry activities; or take any other action relative thereto.

"The purpose of the Agricultural Commission will be to support commercial agriculture and other farming activities in the Town of Huntington. The Commission's duties shall include but will not be limited to the following: serve as facilitators for encouraging the pursuits of agriculture in Huntington; promote agricultural-based economic opportunities in Town; act as mediators, advocates, educators, and/or negotiators on farming issues; work for the preservation of agricultural lands; advise the Board of Selectmen, Planning Board, Zoning Board of Appeals, Conservation Commission, Board of Health, Historical Commission, Board of Assessors, and the Open Space Committee, or any other appropriate Town Boards, on issues involving agriculture; and shall pursue all initiatives appropriate to creating a sustainable agricultural community.

The Commission shall consist of five members appointed by the Board of Selectmen, of which the majority of the membership shall be substantially engaged in the pursuit of agriculture. All members of the Commission must either be residents of the Town, or owners and farmers of agricultural property within the Town.

There may be one or two alternates appointed to the Commission by the Selectmen and will fill any vacancies at a meeting of the Commission. In making its appointments, the Board of Selectmen is asked specifically to consider the intent of the Commission to represent the agricultural interests of the Town.

The terms will be as follows: Two members for a term of three years; two members for a term of two years and three thereafter; and one member for a term of one year and three years thereafter.

The Board of Selectmen shall fill a vacancy based on the unexpired term of the vacancy in order to maintain the cycle of appointments, based upon the recommendations of the Commission."

Motion carried. Unanimous.

A motion was made and seconded to dissolve the meeting at 7:33 p.m. There was a quorum of 48 present. Motion carried. Unanimous.

A true copy attest:

Pamela G. Donovan-Hall, Town Clerk

COMMONWEALTH OF MASSACHUSETTS Town of Huntington

Special Town Meeting

Wednesday; December 13, 2006

Motion carried. Unanimous.

A motion was made and seconded to dissolve the meeting at 7:18 p.m. There was a quorum of 34 present. Motion carried. Unanimous.

A true copy attest:

Pamela G. Donovan-Hall Town Clerk

PLANNING BOARD

The Planning Board has had a fairly quiet year since our last report. With your help, we passed several amendments to our bylaws at the last Annual Town Meeting, all of the 'housekeeping' variety. We applied for and were awarded a grant from the Highlands Communities Initiative to study cluster development and its appropriateness for Huntington. With the grant, we hired Wayne Feiden of Feiden Associates as consultant and held a series of meetings, dissecting our current bylaw on the subject (IV N- Open Space Communities) and comparing it to other existing models. We wrapped up the study with a public meeting last fall which was received with a collective yawn.

Over the last year, we have continued to review ANR subdivisions (simple subdivisions of parcels) and, as the law requires, signed off on them. This continues to be the only form of subdivision occurring in town, although there has been some discussion of multi-home development on at least two different parcels in town and there are plans in progress just over our borders in both Westhampton and Chester.

From all the information available to us, Huntington seems to be meeting the housing needs of its residents adequately. Like all the hilltowns, we have a limited amount of rental property available but, due to other factors, such as available jobs and transportation options, it seems to roughly match the demand. Our housing stock remains financially accessible (as much as any real estate is) to those of our residents who provide our services, which is the yardstick of affordability used by the state.

This year, we bade farewell to our friend and long-time board member, Ed Grabowski, who resigned effective the beginning of January. We appreciate his long service and will miss his pragmatism and insight. We are in need of new people who are interested in the welfare of Huntington to fill several vacancies. Thanks to Earl Heath, Mike Brisebois and Linda Hamlin for their continued service.

Respectfully submitted, Steve Hamlin, Chairman

ZONING BOARD OF APPEALS

<u>NEEDED</u>: ONE FULL-TIME ZONING BOARD OF APPEALS MEMBER AND TWO ALTERNATE MEMBERS!

<u>WHY</u>: CURRENTLY ALL DECISIONS OF THE BOARD REQUIRE A SUPER-MAJORITY (UNANIMOUS) VOTE FOR APPROVAL OF ALL PETITIONS BROUGHT BEFORE THE BOARD.

<u>REQUIREMENTS</u>: OPEN MIND, FAIRNESS, OBJECTIVITY, COMMON SENSE AND WILLINGNESS TO GET INVOLVED IN YOUR COMMUNITY!

BENEFITS: RICH AND CHALLENGING EXPERIENCE SERVING THE COMMON GOOD OF OUR COMMUNITY, TRAINING AVAILABLE.

The Zoning Board of Appeals is the appropriate authority for deciding petitions for variances, special permits, Massachusetts General Law Chapter 40A, Section 6 'Findings' and hearing appeals.

The purpose of our Zoning By-law is stated in our by-law as follows, "... to regulate the dimensions and uses of buildings, structures, and land within the Town of Huntington in a manner appropriate to the character of the town and its various areas and activities, in order to provide for the general welfare, conserve, protect, and enhance the natural and cultural resources of the Town and the health and safety of its inhabitants, insure an adequate supply of light and air, and protect against the hazards of fire and flood."

Special permits may be issued only for uses that are in harmony with the general purpose and intent of the Huntington Zoning By-law, and shall be subject to general or specific provisions set forth therein; and such permits may also impose conditions, safeguards and limitations on time or use. Special permits are issued to authorize specifically itemized uses after weighing the benefit or detriment of a proposal.

The variance is used to authorize an otherwise prohibited use, or to loosen dimensional requirements otherwise applicable to structures. A variance is to be issued sparingly and only if all the statutory prerequisites have been met.

A Massachusetts General Law Chapter 40A, Section 6 Finding allows the Board of Appeals *some* subjective leeway in their decision making process. Non-conforming uses, structures, and lots that otherwise may not meet specific provisions for the granting of a special permit or variance may be granted if there is a finding by the permit granting authority that such change, extension or alteration shall not be substantially more detrimental than the existing nonconforming use to the neighborhood. After the issuance of a special permit, variance or Chapter 6 finding, the successful applicant must obtain a building permit from the building inspector, if construction is contemplated.

ZONING BOARD OF APPEALS (continued):

Our by-law makes provisions for a five (5)-member board with two (2) alternate members. In that situation five (5) members would participate in the public hearing process, and a majority of four (4) affirmative votes would be required to approve an applicant's petition. Currently, we have four (4) members and, as a result, approval of any petition brought to the board requires a unanimous vote for approval. This is not fair to the applicant or the board! We are seeking one (1) full-time member to bring us up to a five- (5) member board. In addition, we are seeking two (2) alternate members to participate in public hearings on an 'as needed' basis. These alternate members would take the place of a regular member that might be absent during the hearing process or in a case where they might have to excuse themselves from the public hearing process due to a conflict of interest.

Contact the Selectboard office or visit one of our meetings to gain a better understanding of the challenging nature of our board. Aside from public hearings the ZBA meets the first and third Wednesday of each month at 7:00 p.m. in Stanton Hall.

This past calendar year from January 1, 2006 to December 31, 2006, the ZBA held public hearings to gather public input on five (5) special permit applications. All five (5) of the applications were approved. In addition to our other duties, the board made annual inspections of the four (4) gravel pits in town.

Respectfully submitted,

Donald Bartley Ellen Davis Phyllis Kelso George Webb, Chairman

CONSERVATION COMMISSION

The Conservation Commission is the town board responsible for ensuring local compliance with the State Wetlands Protection Act. Under that law, anyone proposing to work in or near wetlands (including lakes, ponds and streams and their bordering vegetated wetlands, as well as the riverfront area) must file plans with the Commission.

We acted on eighteen (18) applications during 2006. The projects included new buildings and additions or renovations to existing houses; installation of a septic system; repairs of culverts, a bridge and a dock; restoration of a washout along the Westfield River; removal of a beaver dam; and determination of wetlands boundaries. In all cases, the Commission reviewed the plans and gave approval for the projects to proceed after public hearings.

Commission members performed some fifty (50) site inspections for the projects mentioned above, as well as to respond to questions or complaints. We reviewed Forest Cutting Plans to assure that wetlands are protected during timber harvests. We worked with the Building Inspector on the site review process, to assist people to understand the requirements of the Wetlands Act before they began construction. We gave input about wetland concerns to hearings of the Zoning Board of Appeals, as well as participating in annual inspections of gravel pits in town.

Members of the Commission attended the annual conference of the Massachusetts Association of Conservations Commissions, which offered sessions on many aspects of conservation. We also hosted two MACC workshops here in Stanton Hall. Several of us participated in other events, including workshops on forestry, lakes and ponds, and the Community Preservation Act.

We welcome public participation in any of our meetings, which take place on the first and third Wednesdays of the month at 7:00 p.m. in Town Hall.

Respectfully submitted,

Helena Alves
Katheryn Darrow
Cathy Grabowski
Susan McIntosh, Chairperson
Waino Tuominen
Michael Vorwerk
Miriam Watkins

AGRICULTURAL COMMISSION

The Agricultural Commission is newly established this year. Our purpose is to act in an advisory capacity to the other town boards with regards to agricultural issues.

As an introduction for our membership many Commission members attended an all-day training for Agricultural Commissions held in Deerfield by the Berkshire Pioneer Resource Conservation & Development Council in November.

The first task of the Commission is to create a Right-to-Farm Bylaw for our community.

The Commission is looking forward to tackling new projects in the coming year, which will be geared toward the support of the existing agricultural businesses and the encouragement of new ones.

Respectfully submitted,

Anne Marie Knox
John Knox
Gerald Manley
Bonnie McKinney
Janet Mollison
Gordon Richardson
Lorraine Wickland, Chair

OPEN SPACE COMMITTEE

The Huntington Open Space Committee has gained new members and energy level after irregular activity in 2006.

We will be working on two tasks in 2007: The first being production of a revised Huntington Open Space Plan. The second task will be organizing a Community Garden to be an association of members who will identify logistics and operating rules for a collective of garden beds on a town parcel (possibly the former Murrayfield School site).

Respectfully submitted,

Jeff Penn, Chair Katheryn Darrow Linda Siska Erik Steins Jeff Wyand Charlene Whitaker

POLICE DEPARTMENT

In the last year, the Huntington Police Department has been actively involved in community policing. As a recipient of the Community Policing Grant of \$11,299, the five-member department continued its commitment to police visibility and availability.

The department saw an increase in call volume from 367 calls in the year 2005 to 395 calls in the year 2006, with the month of July being the busiest having 49 calls logged. Some of the recorded incidents logged were 40 alarm calls, 28 officer wanted calls, 25 motor vehicle accidents, 13 domestic disturbances and 7 breaking and entering.

As a member of the District Crisis Team the Police Department and the Gateway Regional School District continued its collaboration implementing and revising the "Safe Schools" plan. A school-wide evacuation drill and numerous lock down drills were conducted throughout the year.

The department continues to maintain CPR and First Responders certification, as well as its membership in the Massachusetts Police Chiefs Association and the Western Massachusetts Chiefs Association.

I would like to extend my appreciation to my fellow officers for their commitment to provide the highest level of professionalism and service to the citizens of the Town of Huntington and to thank the residents of the community for their continued support.

FIRE DEPARTMENT

This year has been a very challenging year for the Huntington Fire Department. There have been numerous personnel changes, inspections, audits and two hundred thirty-five (235) 911 fire calls.

The department was evaluated by the ISO (Insurance Service Office). This office determines the community insurance rate for fire protection on individual homeowner policies. The town rating went from a 6/9 rating to a 6/8B rating. This improvement in the town rating reduced the rate of fire insurance protection outside the town's hydrant district.

The Fire Department was the recipient of two grants. The first grant was the Homeland Security Assistance to Fire Fighters Grant in the amount of \$190,000. This grant was used to purchase a new tanker truck for the Norwich Hill Fire Station. The second grant from the Massachusetts Department of Conservation was for a \$4,000 match fund grant.

As in the past, the Fire Department continued to work with the surrounding communities to provide the department with professional training and mutual aid.

I would like to thank all members of the Huntington Fire Department for their continued dedication and commitment to helping their friends and neighbors in times of crisis.

Respectfully submitted,

Robert Garriepy Police/Fire Chief

HIGHWAY DEPARTMENT

The Highway Department had a productive year.

Drainage was finished on Pisgah Road in preparation for paving of 1800'. Guardrails were updated on Montgomery Road. On County Road a culvert that was collapsing was repaved and County Road from the intersection of Searle to Route 66 was repaved.

The Municipal Parking Lot behind Huntington Liquor Store was upgraded and repaired. Trees and brush were removed on several roads including, but not limited to, County Road, Harlo Clark, Nagler, and Goss Hill. A cold storage shed was erected at the Highway Department for the purpose of storing items that have essential value but do not require heat.

Last, but not least, a new truck has been ordered to update the aging Coleman 4 x 4.

Respectfully submitted,

Wayne McKinney Highway Superintendent.

DOG OFFICER

As an Animal Control Officer the challenges one encounters can be both exciting and frustrating. As always, to me, the hardest part of the job is notifying the family of an injured or deceased pet. I encourage residents to use leashes and tie outs. Your full cooperation will help in reducing these sad events.

The state law requires that all dogs and cats shall be vaccinated against rabies. The state law also requires all dogs to be licensed each year. Licenses shall be attached to the dog's collar or suitable harness, and worn by the dog. This also serves as a return home tag if the dog does become accidentally separated.

Animal complaints responded to:

Dogs adopted:

Dogs picked up, looked for, returned:

BOARD OF HEALTH (continued):

The Huntington Board of Health office is open every Wednesday evening with our friendly and efficient Secretary, Kathie Morrison, always ready to greet you. The full board meets every two weeks, September through June. In May of 2006 we reluctantly said good-bye to longtime member, Dick Jordan, and welcomed Jim Arnold, a health professional in his place. Jim has brought unlimited energy and good information to Marge Craven and your Chair, which was particularly helpful when we were discussing outdoor wood burners.

Your Board quickly investigated health complaints that were signed by the complainant or identified over the phone. No anonymous complaints are investigated. Our staff includes our new Health Inspector, Joseph Rouse; our Title V Inspector, Brian Slayton; our Animal Control Officer, Robert Jackman; and our two Transfer Station Attendants, Gerry Dugas and Bill Snyder. The Board appreciates the good cooperation of the Selectboard Secretary, Helen Speckels, who sells transfer station stickers from her office in the mornings.

Our transfer station is under the direction of Eric Weiss, from the Hilltown Resource Management Cooperative (HRMC). The Board of that agency meets bi-monthly. Your Board of Health Chair is also the Chair of that Board. The object of HRMC is to see that member transfer stations operate efficiently and encourage recycling. This year a book bin was added to our station so that residents could recycle books as well as paper, cans & bottles, metal, and more. This year over 600 transfer station stickers were sold to residents. New stickers will be available on July 1st.

The Board has had a dual focus this year. One focus was to plan for pandemics or other types of disasters. Members attended local and regional meetings on this. Our other major focus has been on outdoor wood burners with a concern for air pollution. The Board passed a moratorium on these burners in mid-December, and held a hearing in the beginning of January to hear owners' concerns. Current owners must obtain a permit by March 17th or lose their right to have these burners. Complaints about existing burners will be investigated by the Board.

The Board appreciates the cooperation of Huntington residents with the transfer station and other health-related concerns.

Respectfully submitted,

Barbara Paulson, Chair Marge Craven, Member James Arnold, Member Kathie Morrison, Secretary

COUNCIL ON AGING

The Council on Aging (COA) meets on the 1st Wednesday of the month at 12:30 p.m. at Stanton Hall. All are welcome to attend. COA volunteers are always needed and can be of any age, not just seniors.

ONGOING ACTIVITIES FOR ELDERS IN HUNTINGTON:

- Highland Valley Elder Services Lunches at Stanton Hall—Mon.-Fri., 11:45 a.m., for seniors 60 years and older; donation requested; call Dale Hoppe at 667-3505 for information and reservations. Home delivered meals are also available.
- Transportation to the meal site, shopping, and medical appointments by the COA/Franklin Regional Transit Authority Van-- Mon.-Fri., for elders 60 years and older and for the disabled of any age by approval of the FRTA; call Dandy Bro, Van Driver, at 667-3661 for more information and to make reservations.
- COA Outreach Worker—for information and referral call Robin Boucher at 862-0038.
- Brown Bag Program providing staple groceries on the 3rd Fri. of each month—for income-eligible seniors, small donation requested; for more information, call Dale Hoppe at 667-3505 or the Food Bank of Western Mass at 800-247-9632.
- Gentle Yoga class—Weds. at 9:00 a.m., Stanton Hall, continuous throughout the year; small donation requested; new students, drop-ins and persons of any age welcome. Call Elethea Goodkin, Regional COA Coordinator, at 413-562-1095 or Sally Barber, Westfield Yoga Center, 413-568-8989 for more information.
- Two wheelchairs, a walker, and a portable commode are available to borrow, short-term; call Priscilla Bishop at 667-3626 for more information.
- Regional Low Vision Support Group--3rd Tuesday of the month, 10 a.m, Stanton Hall; call Elethea Goodkin, Regional COA Coordinator, at 413-562-1095 for more information.

SPECIAL 2006 ACTIVITIES

Winter (January, February, March)

- "March of the Penquins" video at the Huntington Public Library—12 seniors attended
- Seniors carpooled to the Silver Screen movie in W. Springfield—14 seniors attended.
- Valentine Lunch & Concert by Patty Carpenter at Stanton Hall—28 seniors attended.
- St. Patrick's Day Pot Luck Meal & Entertainment by Steve Henderson performing the skit, "Jerry Atrick."

Spring (April, May, June)

- Bus Trip to the Garde Arts Theatre, New London, CT for the performance, "Star Spangled," & also a stop at Mohegan Sun Casino.
- Regional COA Health Fair—18 different providers of information & health screenings; 35 seniors attended from 5 towns; 305 units of service provided to seniors.
- Melissa Nazarro, Huntington Emergency Management Director, spoke with the COA at its regular meeting on May 2.

- Huntington Dance Center offered dance and theater entertainment; the COA provided refreshments.
- COA Consortium/Huntington COA/Mass. Bar Association Elder Law Education Program at Stanton Hall—8 seniors attended.
- Lions Club Dinner at Russell VFW.
- COA Volunteer Recognition Luncheon at the Russell Inn—15 seniors attended.

Summer

Regional COA Picnic at Strathmore Park in Russell.

Fall

- COA Bus Trip to Adams Farm, VT including lunch, a wagon ride, animal theater, and boat cruise—42 seniors attended.
- COA Flu Shot Clinic—65 seniors received flu immunizations.
- Gateway School Senior Concert & Luncheon—50 Huntington seniors attended.
- COA Catered Christmas Luncheon at Stanton Hall; Cadette Girl Scout Troop 192 made decorations; "The Old folks at Home", (May & Smitty Smith) provided entertainment—30 seniors attended.

The COA also sends out Sunshine cards to seniors who are sick or are bereaved. Our COA is a member of the Southern Hilltown COA Consortium and supports its activities including monthly meetings. Sandy Sheets is our COA representative on the Highland Valley Elder Services Board of Directors. We would like to thank all our dedicated volunteers who have helped to make COA services and programs possible. The COA Board would also like to thank the Huntington Selectboard and other town departments and officials for their help and support including the use of Stanton Hall for COA activities. We would also like to acknowledge the Massachusetts Executive Office of Elder Affairs and Sarah Gillett Services for the Elderly for grants that have helped make COA programs possible this year. The Board is open to suggestions and invites all 404 Huntington seniors to participate in the COA's activities.

The Board would also like to note the passing of our longtime member and treasurer, Blanche Pero.

LIBRARY

July 1, 2005-June 30, 2006

The Library was very active this year with 1,489 residents and 101 non-residents with library cards.

We conducted a summer reading program called "Going Places @ your Library" with 71 children and teens participating and 6 adults. The program ended with a pizza party enjoyed by all who attended.

LIBRARY STATISTICS:

	Circulation:	17,537 materials	S
>	Interlibrary:	576	
>	Attendance in Library:	13,010	
>	Reference Transactions:	1,363	
>	Children's Programs:	30	
>	Attendance at Children's Programs:	538	
>	Adult/Young Adult Programs:	43	
	Attendance at Adult/Young Adult Programs:	575	

The Library had only four computers available for public use in FiscalYear 2006 and the number of users during a typical week was 50 for 30 minutes at a time.

We continued to have an Artist of the Month with an open house for each artist. The public enjoyed meeting the different artists and discussing the artist's work.

Our monthly movie nights were a success, with the movies usually being well attended. Popcorn and soda were served.

We also had two adult book clubs during the year. The winter book club met January through April on the last Monday of the month and the Wednesday book club met year-round on the third Wednesday of the month. Different types of books are read, and new members are always welcome.

Library Hours: Monday & Thursday: 1-4 p.m. & 5-8 p.m.; Tuesday: 1-4 p.m.; Wednesday: 3-8 p.m.; Saturday: 10-3 p.m. Closed Holidays (413) 667-3506

Respectfully submitted, Margaret L. Nareau Library Director

COMMUNITY EVENTS COMMITTEE

2005 marked an anniversary for the Town of Huntington.

Our September 2005 Fireworks and Family Festival celebration was dedicated to the anniversary. A steak roast was one addition to the regular events at the festival, including music and entertainment. The Historical Society also took a large part in the festivities, with educating the public about our town history, opening the schoolhouse for a "tour", and performing reenactments. The evening concluded with a wonderful display of fireworks – always enjoyed by the people.

Respectfully submitted,

Lori Belhumeur, Rolland Bernier, Michael Brisebois, Bonnie Kubacki John Knox, Vicki Mayhew (Chair), Ken Rachmaciej, Robert Smith

CULTURAL COUNCIL

The following grants were approved in 2006:

- ❖ Steve Henderson performing *JerryAtrick The Older I Get*
- * Rumbafrica music performance at Gateway Middle School
- ❖ Huntington Recreation Committee, *Gerwick Puppets*
- ❖ Edward Wirt, Charles Neville Concert
- Sevenars Music Festival
- ❖ Mitch Guiannunzio, Season of Plays at North Hall
- ❖ Huntington Dance Centre performing Ozville There's No Place Like Home
- ❖ Blandford Fair, 40th Art Show
- * Ken Jordan, Carolina Snowflakes demonstration
- ❖ Miniature Theater of Chester, *Playwriting Program at Gateway Middle School*

Also included in 2006 were two extensions from the 2005 grant cycle: Patty Carpenter/Music for Seniors and a concert at North Hall.

Cultural grant applications are available online at www.massculturalcouncil.org, at the Town Hall or by contacting Co-Chair Lynn Winsor at (413) 667-5563. The application deadline is October 15th.

Respectfully submitted,

Robert Austin, Carol Chandler (Co-Chair), Jack Eisenstadt, Susan Kallerges Linda Siska, Lynn Winsor(Co-Chair), Connie Young

RECREATION COMMITTEE

Summer Camp 2005 ran from July 11 - August 19, 2005, 9am - noon at Littleville Elementary School. This camp is open to Huntington children in grades Pre-K through Grade 4. Children had structured times for arts/crafts, physical activity, and learning everyday. A bus trip was taken to the movies as a celebration at the end of camp.

Our first adult dance to coincide with the town anniversary party was held in September at Stanton Hall. Everyone in attendance listened to music by a DJ, danced, and socialized with friends.

Halloween happenings included the annual Rag Shag Parade from Pettis Field down to Stanton Hall. Children dressed in costume marched down to enjoy refreshments and a puppet show sponsored in part by the Cultural Council. A large crowd of about a hundred people enjoyed "*Inside the Haunted House*" performed by the Gerwick Puppets, and the carved pumpkin display along the sidewalk.

Santa visited again at Stanton Hall in December. Children and adults listened to holiday music, enjoyed refreshments and participated in making holiday arts and craft projects.

Amelia Park in Westfield allows us to rent out ice time. In January the place was reserved for our town, people of all ages and skills skate for two hours.

Another adult dance was held with a St. Patrick's Day theme in March 2006. There was a DJ providing lively music. Again, everyone in attendance enjoyed the evening.

The Easter egg hunt is never short of participants. Over 1,200 eggs are scattered across Pettis Field for youngsters to collect. Within minutes they disappeared. There were three lucky basket winners, and three lucky ice scream/slushy winners to the Bridge Store.

During April school vacation over 70 people went bowling at the Canal Bowling Lanes in Southampton.

Signs were purchased to put on our sandwich board to help in publicizing events organized throughout the year.

Respectfully submitted,

Lori Bednaz Michelle Booth Vicki Mayhew Mary Lou Niedzielski Michelle Oliveira, Chair Melinda Slowey Patty Trzasko

STANTON HALL USE COMMITTEE

The function of the Stanton Hall Use Committee is to act on requests submitted to the town for the use of Stanton Hall for special meetings and events. These events include, but are not limited to: town meetings; committee and board meetings; private functions such as birthday parties, weddings, showers, craft fairs, and such. To inquire about using the hall for your special event, please contact Committee member Helen Speckels at (413) 667-3500.

On a daily basis, Stanton Hall is open for lunch to all elder hilltown residents over the age of sixty. Reservations must be made in advance, and access to transportation is available. For more information regarding the Huntington Dining Center, please contact Dale Hoppe of Highland Valley Elder Services at (413) 667-3505. A voice message service is available.

NORTH HALL ADVISORY COMMITTEE

North Hall had more programs this past year than we have had in years. We had an opera concert with two performances, a play reading followed by a fundraising party and a fully staged, professional performance of a Tennessee Williams play that filled the house for three nights. We will add at least two more productions to our season this coming summer. Much of this is possible because the hall is looking so good, is handicapped accessible, and now has theatre lighting. The upstairs had a final coat of paint and the final finishing touches are completed, although there is still some work to be done on the closet space. Downstairs there are small jobs remaining to be completed, but that work should be done in this year.

Since the hall is a community building it is available for parties or other small events. People who use the hall for parties are impressed with how attractive it is and, with a well-equipped kitchen, it is very convenient for a variety of activities. The old school room is certainly the oldest public meeting area in Huntington. All this space is available for public use at a very reasonable cost. Just contact Town Hall at (413) 667-3500.

Helena Alves Darlene Horne Suzanne Kellam David Pardoe Ruth Pardoe Linda Siska

WHITING STREET FUND

Mr. Whiting Street was a very successful, single businessman who lived in Northampton. He died in August of 1878 and his will stipulated that after the last of his family members died, some of the money from his estate was to be distributed to 22 cities and towns in the area. The Town of Huntington received \$1,000 in 1920. It was Mr. Street's desire that this money be given to those who needed a little help and who were not already receiving any assistance.

We continue to dispense funds to those who qualify. Applications are available at the Selectboard's Office, Town Clerk's office or from any Trustee.

Respectfully submitted by Trustees,

Pamela Donovan-Hall Robert Austin Sherry Jones

ALPHONSO P. PETTIS FUND

The Alphonso P. Pettis Fund represents several small investments from money that was bequeathed to the Town of Huntington in the form of railroad stock many years ago. This fund is not comprised of taxpayers' dollars.

While the principal dollars are invested under the auspices of a professional financial management company, there is a small sum of interest money that can be utilized for the "good of the community" as outlined in Mr. Pettis' will and testament. These dollars are managed by an elected Board of Trustees comprised of three registered voters in town.

The current Trustees are:

Judie Guyette, Chair Karen Wittshirk Jerry Belhumeur

The following items are examples of the types of community assistance that the Pettis Fund Trustees have funded over the past several years:

- Pettis Field fencing, bleachers, dugouts
- Fire Department Rescue Truck equipment
- Hilltown senior citizen holiday meals
- North Hall Association Building Fund
- American flags displayed on telephone poles around town
- Entertainment for the annual Huntington parade
- Storage shed for the Huntington Library

If your organization has a special project and is in need of funding, please do not hesitate to contact Judie Guyette at dguyette@crocker.com, or call her at 667-3260 for an application for funding. It will be our pleasure to review your request and assist where we are able.

Respectfully submitted,

Judith A. Guyette

WESTFIELD RIVER WILD & SCENIC ADVISORY COMMITTEE

The Westfield River Wild & Scenic Advisory Committee works to preserve, protect, and enhance the special qualities and outstanding natural resources of the Westfield River Watershed in concert with local communites.

In 2006, the WRW&SAC worked with the Town of Chesterfield, Chesterfield 4 Seasons Club and the Americorps Student Conservation Assistance Program to redeck two bridges, and made other trail improvements along the East Branch Trail in Chesterfield and Huntington.

Volunteer Stream teams kicked off the update to the Westfield River Wild & Scenic Stewardship Plan by surveying and cataloging resources along sections of the Westfield River. In 2007, Stream Team volunteers will continue to catalog the historic, cultural, scenic, geological, recreational and ecological features along the river corridor.

Over 1000 residents and town officials along the Westfield River received a Westfield River Wild & Scenic information packet in the mail. The packet included information about the National Wild & Scenic Designation, as well as inviting neighbors to be stewards of the Westfield River and its outstanding cultural, natural and recreational features.

In 2006, the Keystone Arch Bridges were named one of Massachusetts' "10 Most Endangered Historic Resources" by Preservation Massachusetts. WRW&SAC, in collaboration with Friends of the Keystone Arches and the Pioneer Valley Planning Commission, continues to work strategically and skillfully to support the restoration of these grand historic structures. WRW&SAC also advocated for the river and its resources by attending public hearings and writing letters of support and/or concern.

Our committee meets about once a month and all meetings are open to the public. We encourage you to take part in any of our sponsored activities, including stream teams, river clean-ups, land protection, and workshops. To learn more about what is happening in the watershed, sign-up for WRW&SAC's bimonthly newsletter, <u>Westfield RiverNotes</u>, by sending an e-mail to: <u>WestfieldRiver_Notes</u> @hotmail.com or download copies at www.westfielddriver.org.

Respectfully submitted,

Jeff Penn, Huntington Representative Karin Vorwerk, Huntington Alternate

JACOB'S LADDER TRAIL SCENIC BYWAY

Jacob's Ladder (Trail) Scenic Byway is the state designation for the US Route 20 corridor from Russell to Lee. The JLSB Advisory Board, consisting of town appointed members from each of the 5 towns, as well as representation from Berkshire Regional Planning Commission, Jacob's Ladder Business Association, Massachusetts Highway Department, and Pioneer Valley Planning Commission, meets monthly at Becket Town Hall. The focus of the group is economic development and historic and environmental protection of the viewshed of the towns along the corridor. With the representation of the 2 planning commissions, we are able to successfully apply for grants, mostly tourism-related, to help advance these goals for the region.

Respectfully submitted,

Linda Hamlin

JACOB'S LADDER BUSINESS ASSOCIATION

Since 1992, Jacob's Ladder Business Association (JLBA) has worked to promote higher business standards, improve business conditions, and enhance the character of the 7 member towns of the Gateway Regional School District. During 2006, we've held several business networking functions and organized programs to address business needs of the membership. New members are always welcome! Membership forms may be obtained by sending a SASE (self addressed stamped envelope) to JLBA, P.O. Box 19, Huntington, MA 01050. All businesses with either a physical presence, or an owner's residence within any of the 7 Gateway Regional towns, are eligible for Regular Membership. Businesses which don't meet either of these 2 criteria are eligible for Associate Membership. All members are welcome to free attendance at all JLBA events. Meetings are held 7:00 p.m. on the second Tuesday of every month, usually at Stanton Hall in Huntington. All members are welcome to attend.

The association awarded two JLBA Business Scholarships in 2006 to Gateway students, Gerry O'Melia and Dan D'Amato.

A primary focus for years has been to promote the concept of shopping locally. Small businesses, which describes most of our members, depend on folks trying to find their goods and services in the hilltowns first, before expending the time and gas to go elsewhere. 2007 is planned to expand that concept, with contests to encourage people to rethink their shopping behaviors. Stay tuned!

If you have questions about JLBA, please contact Becky Butler of Huntington Country Store (667-3232), Ed Pelletier of Berkshire Hills Productions (238-4246), or Linda Hamlin of Mountain Laurel Designs (667-3346).

Respectfully submitted,

Linda Hamlin

HRMC Annual Report for FY 06'

Last year in the Town of Huntington the HRMC helped:

- 1) Your town save \$ 20,397.41 in disposal costs.
- 2) Your town earn \$ 4,966.55 in recycling revenue.

Therefore, for the annual assessment amount of \$7,375.00 Huntington received over

\$ 25,363.96 in indirect costs savings and revenues combined!

The HRMC is a unique regional cooperative organization which was created in 1989 by concerned residents in the towns of Ashfield, Chesterfield, Cummington, Goshen, Huntington, Middlefield, Plainfield, Westhampton, Williamsburg and Worthington. The primary mission of the HRMC is to assist its member towns with the planning and management of their solid waste management and recycling programs, and since 1989 the HRMC has been doing just that. On an annual basis the HRMC assists your town in the following ways:

- 1) Budget savings on annual disposal costs through careful management of the town's waste management and recycling programs.
- 2) Assist the local officials in your town with the transfer station/recycling center operations, budget planning, as well as any DEP related enforcement and filing issues as they arise.
- 3) Help protect the environment through the recycling of glass, cans, plastic bottles, paper, newspaper, junk mail, cardboard, electronics, tires, propane tanks, paint, clothes and other common household products.
- 4) Operating the regional Household Hazardous Waste Collection, Paint Recycling and Electronics Recycling programs to help keep toxic materials out of our local environment.
- 5) Assist your town directly with the bidding of recycling hauling, solid waste hauling, disposal contracts and transfer station equipment
- 6) Obtaining cash and equipment grants to assist your town, when available.
- 7) Assist your town with the development of new recycling programs when needed.
- 8) Advocate on behalf of its member towns with state legislators.

The HRMC Administrator, Eric Weiss, our one and only employee, helps all HRMC member towns with these many tasks. Last year the HRMC helped the towns (combined) recycle over 2,256 tons of materials, saving the towns over \$153,720.00 in direct disposal costs savings and earning the towns (combined) over \$37.988.00 in recycling revenues!

We look forward to continuing to help you and your town protect the environment and save money. If you have any questions about recycling or have a waste disposal problem, please call or email us.

Respectfully submitted,

Eric Weiss

HILLTOWN COMMUNITY AMBULANCE ASSOCIATION, INC.

The Hilltown Community Ambulance Association, Inc. (HCAA) is proud to have completed our sixth year of service to your communities. Within the six communities we serve, there were 502 requests for service throughout the past year. This was our third consecutive year with greater than 500 calls.

Our trained medical staff consists of a combination of two Full-Time Basic EMTs, two Part-Time EMTs, and 12 On-Call/ Volunteer EMTs. These EMTs allow us to provide a staffed ambulance 8 hours a day Monday to Friday. On the weekends, we provide one on-duty EMT 8 a.m. – 4 p. m., and rely on on-call EMTs to assist in coverage. The remaining hours are covered by on-call/ volunteer staff that resides within our six communities.

In addition to responding to 911 emergency medical calls, the HCAA provides other community services. Staff is at the station daily 8 a.m. – 4 p.m. to evaluate blood pressures. Annually the HCAA offers Continuing Education for EMTs, including a DOT Refresher. We also conduct CPR classes for both community organizations, and local fire departments. If your organization is interested in learning CPR, please contact our office.

In June of 2006, Kathy Rider retired after 4 years as Service Director. The HCAA Board of Directors, and staff, would like to recognize Mrs. Rider for her dedication and time given to the citizens of our six towns.

A new Service Director, Stephen Gaughan, was brought into the HCAA in July of 2006. Mr. Gaughan comes to the HCAA with 10 years of EMS experience, a B.S. in Business Management/ Finance, and an A.S. in Fire Science. A Full-Time firefighter/ paramedic with the Town of Amherst, he holds a part time position with the HCAA. As Service Director, he welcomes public questions, comments, or concerns. Please feel free to contact his office at any time, 413-667-3277.

The HCAA continues to operate two Licensed Class I ambulances, and is proud to say that we now own outright, both of our ambulances. This task was completed through a combination of our capital campaign, donations, and revenues. Our oldest, a 1997 Ford, was obtained in our transition from the Lions Club. This ambulance is urgently in need of replacement.

Within each town we serve, there is a dedicated Fire Department. The HCAA would like to thank the Fire Chiefs and their staff for the assistance they have provided. It is a good feeling knowing that when you are responding to a call, the first responders are there providing quality care.

Each and every year the HCAA sponsors citizens from within the community to attend a local EMT class, and join the organization. If you have questions, or interest in joining the HCAA, please contact our office.

We would like to recognize the retirement of some of our most honored members. This past December, the HCAA accepted the retirements of Board Members Philip Winterson of Russell,

HILLTOWN COMMUNITY AMBULANCE ASSOCIATION (continued):

Linda Smith of Blandford, and Judy Jackson of Chester. We are grateful for their years of contribution to the HCAA.

In following a successful 2006 program, the HCAA will again offer the Subscription Program in 2007. This past year we had 665 citizens take part in the program, either in the single, or family capacity. With utilization of the subscription program, the citizen's bill is considered paid in full for HCAA provided service that is not covered by the patient's insurance. We encourage citizen participation in this program during the upcoming year.

Annually, the cost of providing ambulance services increases. This is due to increases such as state fees, fuel, liability insurance, and medical supplies. We also incurred increases in wages, staff health insurance, and necessary technology improvements. In addition, the aging of our 1997 unit has lead to a substantial increase in vehicle maintenance costs.

The HCAA is requesting that the towns appropriate a total of \$76,131.93 for ambulance service to their communities in FY 2008. This is an increase of 5 % over the amount approved for FY 2007. The cost will be \$ 9.03 per person, which keeps us one of the lowest per capita ambulance services in the state. In the best interest of the communities, we continue to raise funds through grants, the subscription program, and other fundraising ventures.

As in previous years, the request to each town is based on their year 2000 census figures. The corresponding amounts are:

BLANDFORD	\$10,962.42
CHESTER	\$11,811.24
HUNTINGTON	\$19,631.22
MONTGOMERY	\$ 7,296.24
RUSSELL	\$14,962.71
WORTHINGTON	\$11,468.10

The HCAA and its staff are grateful for the continued support from the town officials and their citizens. We are also humbled by the number of donations and support we receive from within the community. It is this support that allows us to continue to operate a quality community ambulance service.

Respectfully submitted,

The Hilltown Community Ambulance Association Board of Directors

HILLTOWN COMMUNITY DEVELOPMENT CORPORATION

In Fiscal Year 2006 Hilltown CDC completed construction of the Westhampton Woods Senior Housing project in Westhampton.

In March 2006, Hilltown CDC submitted a funding application on behalf of the Town of Huntington to the Massachusetts Department of Housing and Community Development's Housing Development Support Program (HDSP) to fund the acquisition and renovation of a four-unit building at 6 Blandford Hill Road. Constructed as mill worker housing a century ago, the building sat vacant for the past five years during unsuccessful renovation attempts by private owners. Hilltown CDC plans to restore the building to productive use and add four units of rental housing to the hilltown affordable housing stock.

Other grants which Hilltown CDC applied for in 2006 were a \$1.2 million regional Community Development Block Grant on behalf of Chesterfield and six neighboring communities, an \$800,000 application on behalf of the Town of Plainfield, and an \$800,000 application on behalf of the Town of Worthington.

Marie Burkhardt completed five and a half years of dedicated and highly successful service as Executive Director, resigning in June to pursue new interests. Hilltown CDC hired Andrew Baker as its new Executive Director and hired Paul Lischetti as it new Housing Director. Andrew ran the downtown revitalization program in Shelburne Falls and served for seven years as director of the Shelburne Falls Area Business Association. Paul brings over 20 years of housing development experience to Hilltown CDC, having served most recently as Executive Director of the Westfield CDC.

Respectfully submitted,

Hilltown Community Development Corporation P. O. Box 17 Chesterfield, MA 01012

HAMPSHIRE COUNCIL OF GOVERNMENTS

The focus of the Hampshire Council of Governments continues to be to help local governments save money and solve problems through regional cooperation - as it was set out in the Council Charter - and a commitment to the concept of local control over local affairs. The combined dues for the Council of Governments in Fiscal Year 2006 were \$148,823. The dues collected help support Council programs, services, and assistance to a variety of programs.

The Council's Electricity Program is a new venture that has seen tremendous growth and possibility in its first year. Over this Fiscal Year, seventeen towns in Hampshire and Franklin Counties contracted with the Council for electricity supply for their town facilities. On March 27, 2006, the Council began buying and selling electricity as a licenses competitive supplier. The towns which contracted with the Council opted for a profit sharing rate. The towns pay the utility prices and share in profits which the Council may earn by buying directly from the electricity spot market. Future goals include other rate plans and extending the Council's electricity services to businesses, and finally, residents through a municipal aggregation.

The Cooperative Purchasing program, now in its 26th year, coordinates and administers a formal bidding process on behalf of Council departments, municipalities, school districts, and human service agencies and miscellaneous governmental entities throughout the Berkshire, Franklin, Hampden, and Hampshire County region. Buying in bulk generates added savings over lone bidding efforts while complying with state procurement statutes and eliminating duplication of administrative work. The total purchasing volume for goods and services for Fiscal Year 2006 was \$4.3 million with a projected savings of \$933,960.

In a year when many towns are facing double-digit rate increases in health insurance premiums, our towns once again held their costs to single digit increases. The Hampshire Councilors serve as the trustees of the Hampshire County Group Insurance Trust, a cooperative effort to provide health and life insurance with excellent high level benefits at competitive rates. An Insurance Advisory Committee, made up of representatives of all participating units, meets regularly to discuss problems and possible solutions and to explore new ideas. The Trust manages a self-funded group of health insurance products. The collective premium for the Trust was \$29M. Through the efforts and expertise of the Trust management, and the volume of participation in the program, and the participation of the town representatives on the Advisory Board, the Insurance Trust is successful at managing costs while providing excellent benefits.

The Regional Services Department develops regional approaches to problems shared by Hampshire County municipalities. The department secures surplus federal equipment for various Massachusetts municipalities and state entities. The current net savings of property delivered to member communities for Fiscal Year 2006, after fees and delivery charges, totaled \$25,477. Member communities receive a discount on the fees, as well as the right of first refusal on nicer pieces of equipment obtained through the surplus program. Regional Services continued its oversight of the Hampshire Inspection Program, which provides building inspection and zoning enforcement services. Emergency inspection services are also available for other towns not in the program for an hourly fee. Finally, the Department has been cooperating with the Electricity Department in performing account analysis and estimated electricity cost savings to help towns analyze their electricity purchase options, as well as salesmanship.

The elected Councilors provide public oversight for Hampshire Care in Leeds, a rehabilitation and skilled nursing facility owned and operated by the Council and County since 1914. The facility provides for 120 patients, with over 250 admissions per year from all the towns in the County. The majority of patients are admitted for rehabilitative care following an accident or illness. Hampshire Care also provides post

HAMPSHIRE COUNCIL OF GOVERNMENTS (continued):

hospital treatment, and long-term nursing services. The facility has an exemplary record of performance on State and Federal surveys, and rates highest in the County on State Survey results. (See Massachusetts Department of Public Health "nursing Home Report Card.") As a government-owned, non-profit facility, Hampshire Care has no owners or stockholders to report to and concentrates all of its resources on offering the best patient care possible. All revenues for the facility's operation come from patient services. Hampshire Care also has roughly the same profile of Medicare, Medicaid, and private patients as the average long-term care facility in Massachusetts. The Hampshire Council of Governments is very sensitive to its responsibilities as a government entity to provide services for the communities it serves. The Council would like to be able to expand the public services being offered on the campus of Hampshire Park, where Hampshire Care is located. Hampshire Care also provides a substantial number of good jobs, with 120 full-time equivalents and over 150 employees. These employees, as with the patients, almost all are residents of the surrounding towns and villages. The total financial impact on the local economy is about \$8 million dollars.

One of the less noted benefits to local communities is the impact that Hampshire Care has on the cost of retirement benefits. It has been calculated that retirement benefits for most communities would rise substantially if Hampshire Care were not part of the Hampshire County Retirement board.

The Council maintains one of the few remaining grant-funded tobacco prevention efforts in the region through the Tobacco Free Network serving both Franklin and Hampshire Counties. Funding for this program is provided by a grant from the Department of Public Health. Since the passage of the statewide smoke free work site law in July of 2005, efforts here and across the state have been on preventing youth from using tobacco, helping smokers who are interested to quit, protecting people from second hand smoke, and working to end health disparities of tobacco. This means that particular populations carry a heavier burden caused by the hazards of tobacco. In our area these populations include people with lower income, in particular, rural poor women and racial minorities.

In addition to the various departments, programs, and services, each Councilor attends a monthly Full Board Meeting as well as a Standing Committee Meeting. Each Committee has oversight of specific departments and programs and continues to look for ways to increase revenue and provide services. The Council is currently working on proposals for development of the Hampshire Park area of Hampshire Care. Ideas discussed include the potential for the addition of a charter school, a housing program, and other developmental ideas to enhance the property and raise revenue.

For further information on Council programs, expenses, and revenues, please contact the Councilors' Office at 413-584-1300, ext. 2. You may also visit the Council website at www.hampshirecog.org.

Respectfully submitted,

Hampshire Council of Governments 99 Main Street Northampton, MA 01060

HAMPSHIRE INSPECTION PROGRAM

Three hundred and thirty building permits were issued throughout the member towns of the Hampshire Inspection Program in 2006. Of these, 34 permits were for new homes.

The breakdown of permit activity for the five member towns is as follows:

<u>Town</u>	Total permits	New homes	Total permit fees collected
Chesterfield	59	6	\$ 12,159.92
Goshen	57	4	\$ 8,016.16
Huntington	70	7	\$ 17,086.71
Middlefield	21	4	\$ 5,394.16
Williamsburg	123	13	\$ 38,698.86

There is still some confusion regarding what type of projects require a building permit. Remember that reroofing requires a building permit. A permit is also required for replacement doors and windows, new siding, installation of wood or pellet stoves, and most exterior or interior renovation work. The State Building Code makes exception for the permit requirement only for "normal repairs". If in doubt, please call before beginning your project.

My thanks again to Tara Ussailis, my Administrative Assistant, for keeping up with the pace and keeping everything in order.

Our office is located at the Davenport School Building, 422 Main Road in Chesterfield, and is open Monday, Tuesday and Wednesday mornings to serve residents of all member towns. Office hours are also held Wednesday evenings at 7:30 in the Huntington Town Offices. Residents may phone anytime at (413) 296-0127.

Respectfully submitted,

Paul Tacy Building Commissioner

VETERANS' AGENT

As we have expected, our Veterans' Department presently is serving an overwhelming amount of calls from returning veterans from Iraq and Afghanistan requesting the VA benefits due to them.

The approximate 207 veteran centers located in the 50 states have increased their staff due to a tremendous increase in veterans seeking counseling for PTSD (Post Traumatic Stress Disorder) from mental health services. Starting in October 2005 through June 2006, the amount of veterans has more than doubled from 4,467 to 9,103.

Many VA, Social Security, and Veterans' Services Benefits are available to veterans, widows of veterans, and dependents of veterans. These benefits include medical payment for many of our clients. If there are any concerns, please call you Veterans' Agent at (413) 323-5992.

Respectfully submitted,

Robert C. Messier
