

Welcome

Thanks for visiting the Huntington Historical Society's web page. For over thirty-three years, the Society's members have volunteered their time and knowledge to preserve Huntington's history and provide information for those who seek it. We are very fortunate to have as our home the Norwich Bridge School Museum. We invite you to enter our site and explore what is available here. We welcome your questions and interest about Huntington's past.

Enjoy our site.

All material contained on this site is the property of the Huntington Historical Society, generously donated by the citizens of Huntington or their families. The content is made available for research purposes. Feel free to use the material, but please credit the Huntington Historical Society.
