

# Reverse 911 - Emergency Notification System

News Release Date

04-20-2023

Get alerted about emergencies and other important community news by signing up for our Notification System. This notification system enables the Town of Huntington to provide you with critical information quickly in a variety of situations, such as weather and parking bans, sanitary sewer overflow, unexpected road closures, and outreach notifications such as town meetings, hydrant flushings, and other maintenance work

You will receive time-sensitive messages wherever you specify, such as your home, cell, or business phone, email, and text messages.

**Please note** - on clicking the links below you will leave the Town of Huntington website. The website accessed is secure. Information gathered there will only be used for official Huntington notifications.
